# MedCare Bye Lice Shampoo

## Lice shampoo

### DESCRIPTION OF THE MEDICAL DEVICE MED CARE BYE LICE SHAMPOO

Medical device shampoo against lice is recommended to prevent the development of lice, treat lice and alleviate the course of infestation with human head lice. The product is intended for children from 3 years of age and adults.

The use of the product in children under 3 years of age should be consulted with a doctor or pharmacist.

### MECHANISM OF ACTION:

After applying the product, a coating is created on the scalp that deprives the lice and their nits of air and causes them to dehydrate. During the use of the product, these parasites suffocate and their larvae die.

**INGREDIENTS:** Dimethicone , Sodium Laureth Sulfate , Cocamidopropyl Betaine , Glycerin , Coconut Oil Glycinate Sodium Salt , Coconut Oil Fatty Acid Diethanolamide , DMDM Hydantoin , Butylcarbamate iodopropynyl , citric acid, purified water.

**HOW TO USE:** Shake before use.

Spread the product on slightly damp hair. Cover the entire surface of the hair thoroughly, paying special attention to the area behind the ears and above the neck, and massage in. Leave the product on the hair for 20 minutes. After the indicated time, rinse the hair thoroughly with water and comb through. If necessary, the action can be repeated.

When using the product, do not use other care shampoos.

In case of any doubts, symptoms that worsen or do not subside, please consult your doctor or pharmacist.
